Guidelines To Improve In Academics

The primary focus would be to strengthen the basics of the subjects which will cater to their further development of the child. Given below are the guidelines of the same :

English:-

- Conversation is the medium of communication .Reading is not just important for us, acquiring knowledge , it will help you to build your vocabulary by exploring **cross words puzzles ,scrabble** and extend the level in English . So try to have reading practice rather than course books short stories or fictious.
- Be in habit of reading news paper or books related to current affairs and for a change you can read novels, to develop writing skills .
- Grammar is the pillar for the formation of sentences .Verbs and tenses hold the grammar, so master yourself in it. Dictionary is the important part of learning English, Students should carry pocket dictionary to develop the word power.

Mathematics:-

- Paste the charts of table above 15 , squares and cubes and practice them regularly .
- Write formulas chapter wise on the paper and keep it in your pocket, revise it when you are in the bus or at home.
- Be in habit of solving “SUDOKU” puzzle at least twice in a week.

Social Science:-

- To grow in all aspects students should be aware of current affairs, read more general knowledge books and news paper daily. It is mandatory to have atlas to refer the maps.
- Emphasis more on map work, which is scoring part of the subject.
- Read the chapter thoroughly and mark the important dates places and important terminology in the given topic.

Science :-

- Always be inquisitive. Keep scientific approach to solve problems.
- Develop observation skills, draw inference and come to the conclusion.
- Draw diagrams regularly and practice them time to time.
- Read the chapter carefully, note down new terminology and learn them by heart.
This will help you to build strong foundation.
- Try to write answers to the point in your own language.
- Come up with “how” and “why” questions. it will help you understand concepts clearly.

Hindi and Sanskrit :-

- भाषा के शुद्ध उच्चारण के लिए नियमित पठन क्रिया ।
- पाठन क्रिया मे समाचार पत्र, कहानी की पुस्तक आदि को शामिल करना ।
- गद्य एवं पद्य को समझने हेतु अलग अलग अध्ययन करना ।
- भाषा के मौखिक विकास के लिए वाद विवाद , भाषण , परिचर्चा, संचालन , इत्यादि में भाग लेना ।
- भाषा के शुद्ध लेखन हेतु श्रुतलेख और लेखन का नियमित अध्ययन करना ।
